Tuesday **February 7th** is the 2023 State of The Union Address. That can only mean one thing! It's time for Bingo! Anytime Biden says the words or phrases above, mark that box. The first to five in a row yells "BINGO!" How many times can you mark off five boxes in a row? After all the clapping and back slapping has subsided, take a closer look at the topics. Each box has a circled topic number in the bottom right corner. On thefirmament.net website are links to articles addressing each of the ten subjects.

On Friday February 10th, a response to The State of The Union Address will be posted at:
